Annual Staff
Piedmont High

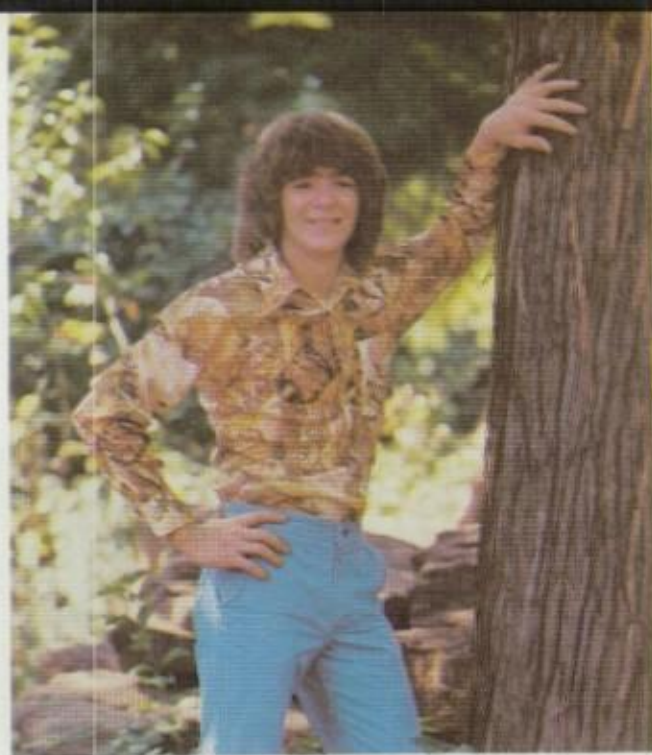

Piedmont Student Body
Piedmont Schools

Dear Piedmont Student Body,

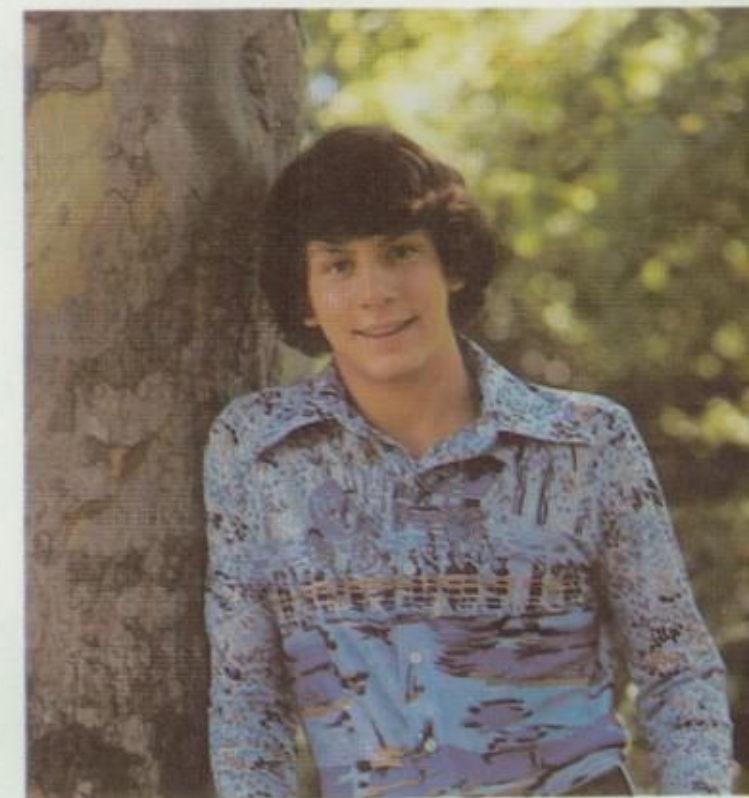

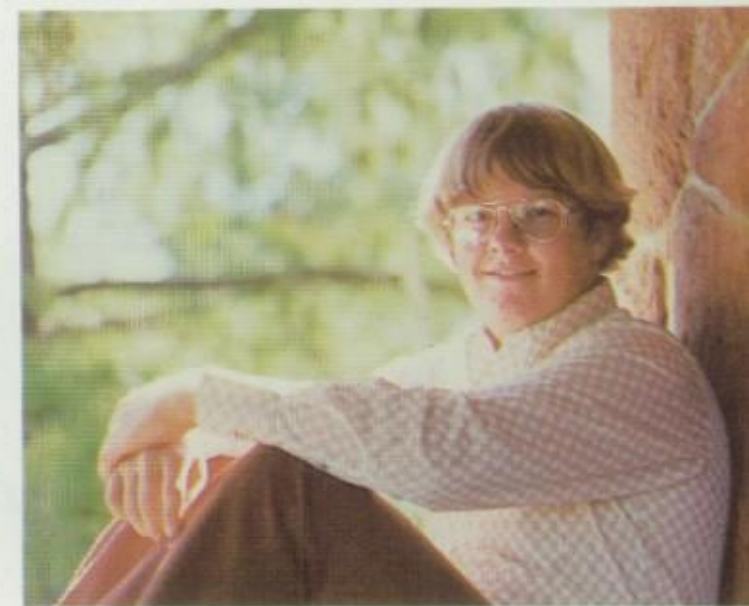

We wish to dedicate this year's annual to you as our way of saying "thanks" for your support of our school over the past years. As we all know, our school is growing in many ways: in size, in our many school facilities, and in our scholastic endeavors. Our athletic department outlook has broadened considerably also.

We know that we are ready to accept the challenges and responsibilities this growth offers us. Now more than ever is the time for support, and we know we have it.

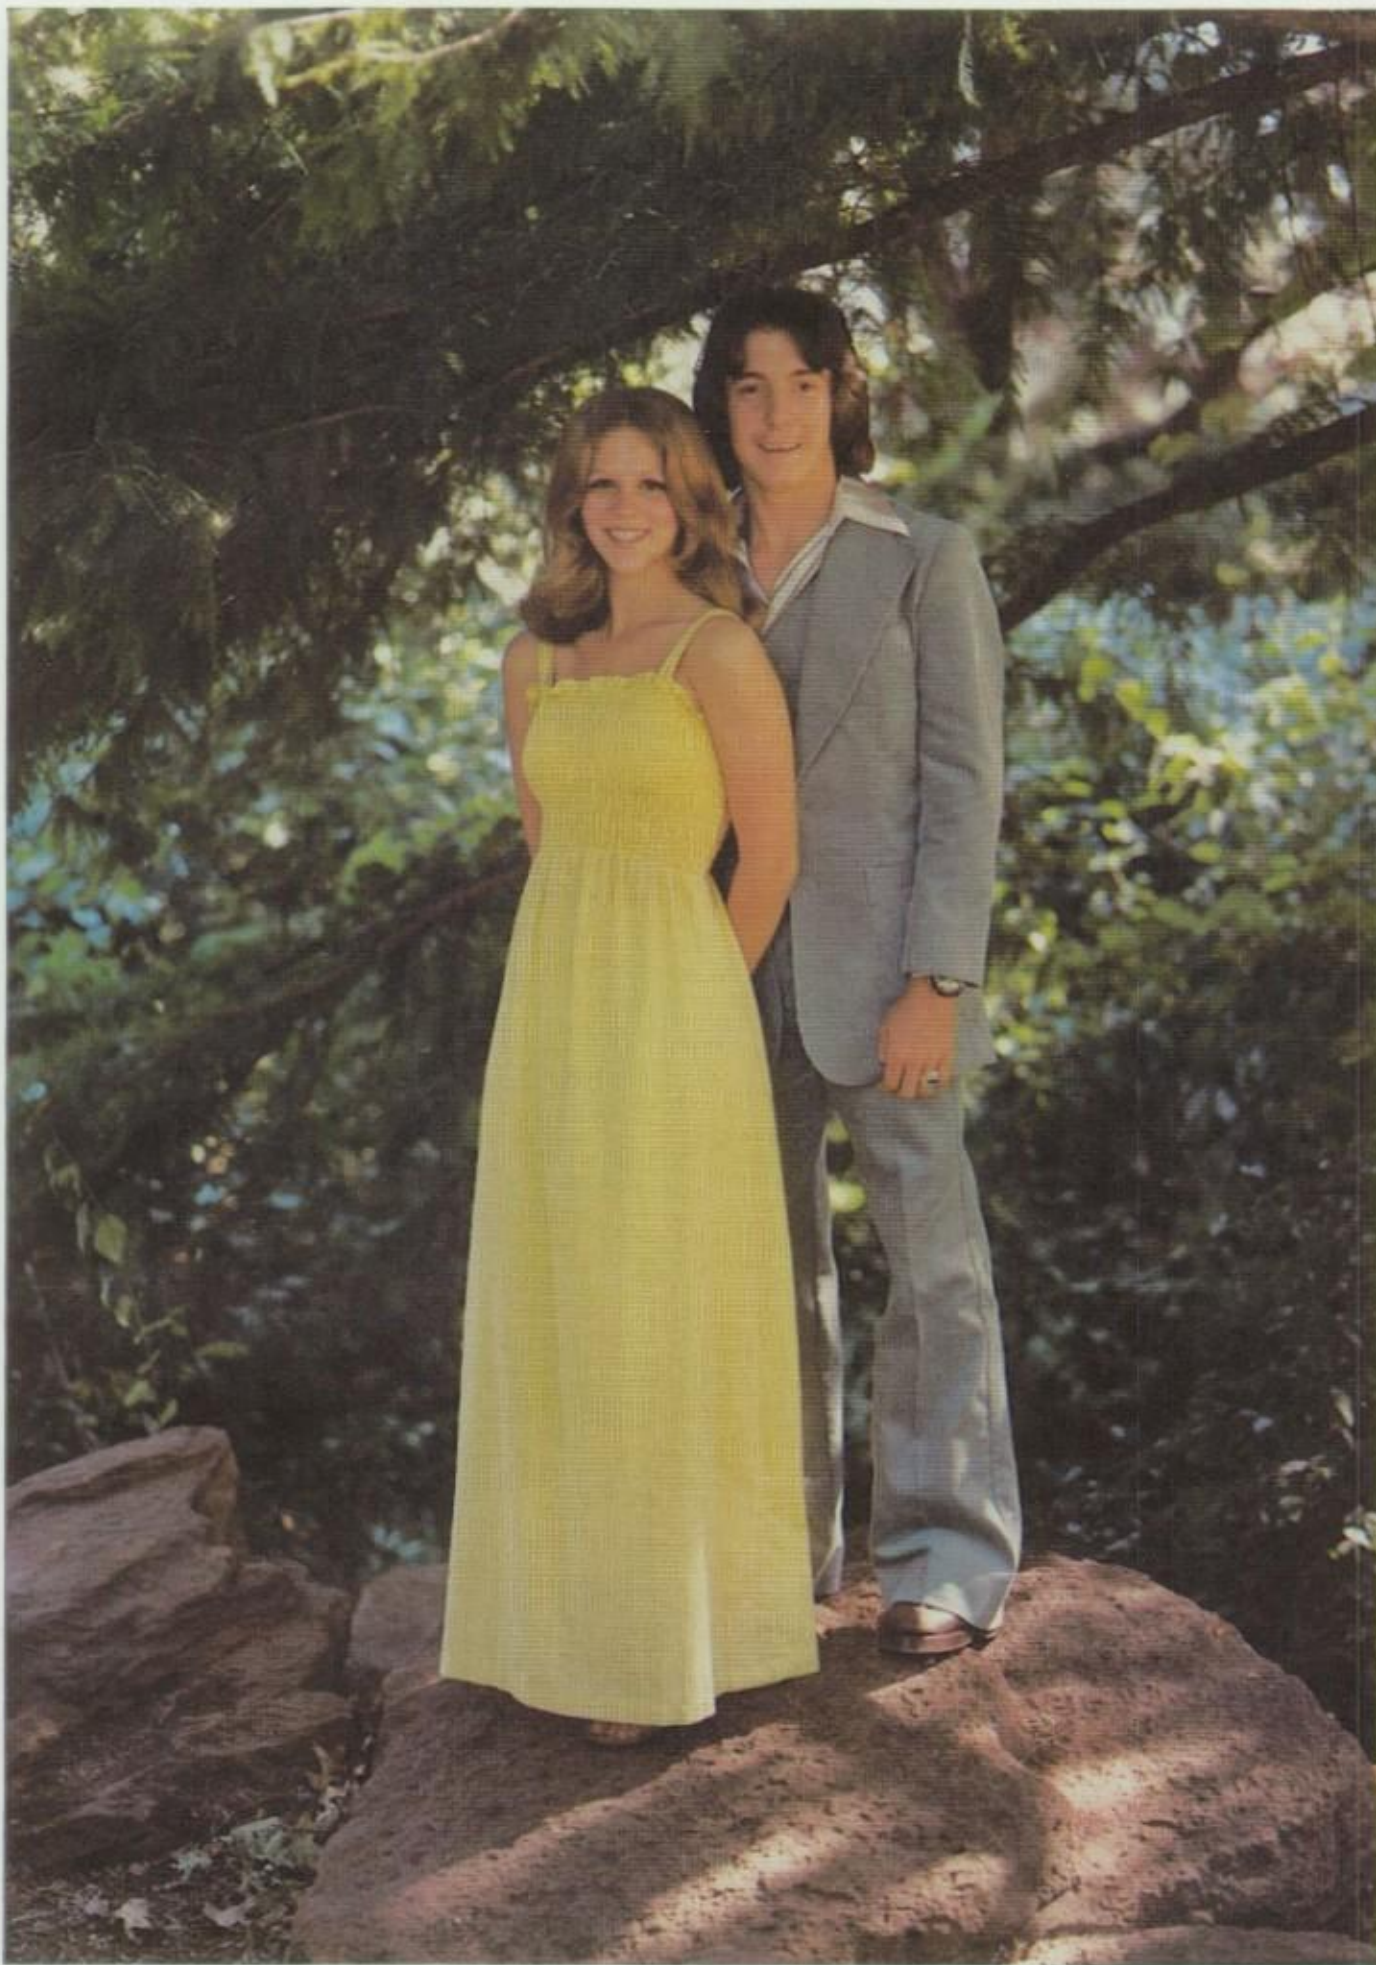

Very sincerely yours,
The Annual Staff

Many of the things the Beta Club has done this 1976-77 school year are had a Christmas party for a group of students from Concho Indian School; they had a special guest, HO-HO. The Journalism class also participated in this function. Club members went ice skating together, had a Sadie Hawkins Day and an Easter egg hunt for a group of orphans. The recognition of the new members will be at an initiation service next fall.
